CERTIFICATE OF ACHIEVEMENT

INTERNATIONAL FIRESTOP COUNCIL

THE Source of Firestop Expertise®

Presented to:

Brian Pollack

In recognition of successfully passing the examination covering the IFC recommended knowledge base for Third-Party Firestop Inspectors.

To meet the full scope of the IFC recommended knowledge base, we recommend the candidate participate in an IFC approved multi-manufacturer product familiarization course. This is available as a 4-hour online course, Firestop 204, at firestop.org.

On behalf of the International Firestop Council

Tim Mattox, President, International Firestop Council

Issued: 10/16/26 (certificate valid for 3 years from date of issue)

Confirmation of this certificate holder's status can be confirmed at, https://firestop.org/directory/
